NOTICE TO COSIGNER

You are being asked to guarantee the obligations of the Campus Member under the Campus Membership Agreement. Think carefully before you do. If the Campus Member does not meet its obligations, or incurs any liability under the Campus Membership Agreement to City CarShare, you will be responsible. Be sure you can afford to pay if you have to, and that you want to accept this responsibility.

You may have to pay up to the full amount of the obligations or liability if the Campus Member does not pay. You may also have to pay late fees or collection costs, which increase this amount.

City CarShare can collect this debt from you without first trying to collect from the Campus Member. City CarShare can use the same collection methods against you that can be used against the Campus Member, such as suing you, garnishing your wages, etc. If this obligation or liability is ever in default, that fact may become a part of your credit record.

This notice is not the contract that makes you liable for the obligation.

Please **mail, fax or email** this completed Agreement form to City CarShare. To Email it, scan and send it to: memberservices@citycarshare.org
